Multiple Projects Underway to Improve Safety for Bicyclists and Pedestrians

The summer construction season is in full swing and crews are making progress on several projects, including four to improve safety for those who walk and bike. The projects are spread throughout the City and offer different types of upgrades:

- A pedestrian refuge island with a rectangular rapid flashing beacon on Division Avenue near Lone Oak Avenue.
- A pedestrian refuge island with a rectangular rapid flashing beacon on River Road north of Fir Lane.
- New sidewalk on Goodpasture Island Road west of Happy Lane to the Delta Highway Bridge off-ramp.
- New school zone on 30th Avenue near Camas Ridge Elementary School.

Crews are expected to complete the school zone in early September. The remaining projects should be finished by early fall. These improvements are part of the City's Pavement Preservation Program. Funding comes from the street repair bond

measure approved by voters in 2012. For more information contact project manager [Lisa Jeffryes](#) at 541-501-0360.
